2023 THERAPEUTIC & CLINICAL SPACES

FULL-SCALE INTERIOR REFURBISHMENT SELECTIONS

THE ALPHA WORKSHOPS
SCOPE OF WORK

GROUND FLOOR | LOBBY

2ND FLOOR | THE SEYMOUR ASKIN COUNSELING CENTER

2020 CONEY ISLAND AVENUE

BROOKLYN, NY
RESULT

A dynamic pairing of reds and greens invigorates a formerly-undifferentiated landscape of neutrals. Reception areas are easily identified by a signature red-orange hue, while patterned green vinyl wallcovering enlivens the surrounding waiting areas.
RESULT

HAND-PAINTED VINYL WALLPAPER, ORIGINAL ARTWORKS, NEW FURNITURE, AND A STRIKING YELLOW AND BURGUNDY PALETTE TRANSFORM THE WAITING AREA INTO A WELCOMING AND ENERGIZING SPACE. CORRIDORS AND RESTROOMS FEATURE VINYL WALLCOVERING IN GREEN AND TAUPE. NEW SIGNAGE SIMPLIFIES WAYFINDING.
SCOPE OF WORK

3RD FLOOR | CORRIDORS AND CHILD & TEEN THERAPY ROOM

4TH FLOOR | WAITING AREA AND “CHILL & CHILDREN’S” ROOM

5TH FLOOR | CORRIDORS, BREAK ROOM, AND FAMILY THERAPY ROOM
RESULT

SOFT GREENS AND UPDATED SEATING BRING WARMTH AND VISUAL INTEREST TO THE WAITING AREA. VINYL WALLCOVERING AND EASY-CLEAN HAY CHAIRS PRIORITIZE HYGIENE WITHOUT SACRIFICING STYLE. NEW DOOR SIGNAGE AND A VIVIDLY-COLORED FRONT DESK IMPROVE WAYFINDING.
EXISTING CONDITIONS | S.I.F.S. 4TH FL “CHILL & CHILDREN’S” ROOM
A focus on complementary colors and tactile, child-friendly materials gives this former storage room an inviting, creative atmosphere.

Initially conceived of as a quiet space for staff relaxation, the project brief expanded to include the needs of clients’ children, who often require a safe space to wait for parents engaged in clinical business. Flexible seating allows for reconfiguration, and a custom aqua console will accommodate children’s games and a TV.
EXISTING CONDITIONS | S.I.E.S. 5TH FL FAMILY THERAPY ROOM
SILVER-GRAY TEXTURED WALLCOVERING AND SATURATED JEWEL-TONES CREATE AN ELEGANT YET COMFORTABLE ATMOSPHERE IN THIS FAMILY THERAPY SPACE.

THE EXISTING MEETING TABLE AND CHAIRS WERE AUGMENTED BY A LUSH, EASY-CARE VELVET UPHOLSTERED SOFA AND SOFT PINK PILL-SHAPED COFFEE TABLE. BRIGHTLY-HUED MULTIPURPOSE LOCKERS KEEP SUPPLIES AND SENSITIVE MATERIALS OUT OF SIGHT, WHILE A CUSTOM INDIGO BOOKCASE IN POWDER-COATED STEEL HOLDS BOOKS AND TOYS.
EXISTING CONDITIONS | S.I.E.S. 3RD FL CHILD & TEEN THERAPY ROOM
RESULT

A 360° hand-painted imagined landscape in purples, blues, and pinks evokes cosmic tranquility, while a teal folding mat cushions the floor beside a crescent-shaped chalkboard area. Replaceable carpet tiles in a soft pastel pattern help disguise chalk dust, and new teal shelving holds an array of child-safe fabric storage cubes filled with toys and games.

An existing black leather sofa was given new life with a washable slipcover in an art-inspired print. Old, tattered metal blinds were replaced with a custom-built motorized cellular shade.
